Kinder – 2nd Grade Policies

Absent Work

Students who are absent for one or two days will make up their missing work in class. If a student is absent for more than two days, a packet of missing work will be sent home.

Binder/Planner

Each student will receive a binder/planner at the beginning of the year. In kindergarten and first grade, any homework will be placed in their binder. In second grade, your child will record their homework in their planner and homework will be placed in their binder. Each night, it is mandatory to check your student's binder/planner for that day's behavioral stamp and information from the teacher.

Birthdays

If you choose to send anything in for your child to celebrate their birthdays, please refer to the list below for choices. Please know that birthday celebration time is reserved for the last 5 to 10 minutes of the day. There will be no parties, only simple celebrations. Please notify the teacher prior to bringing in items before your student's birthday. All items purchased for the classroom will need to be store-bought. Teachers will hand out invitations to the entire class. If you only want to invite a few students, parents and/or students will have to pass out invitations after school hours.

- Goodie bags with pencils, stickers, erasers, etc.
- Dunkin Munchkins
- Otter Pops
- Individual packed 100% juice
- Prepackaged Rice Crispy Treat
- Store-bought fresh fruit, vegetables, applesauce, Jell-O, or pudding cups
- Please NO CUPCAKES

Homework

Homework is sent home Monday through Thursday. There will be no homework sent home on Friday. Please check the binder/planner for nightly homework expectations. Every night, reading is mandatory for 15 minutes. Parents are required to sign off their student's reading.

Unfinished Work

If a student has unfinished work, he or she will use free or fun time in class to complete the work. When any unfinished work is remaining on Friday it will be sent home to complete and returned the following Monday.

Student's Name: _____

Parent's Signature: _____
